Interesting Facts:

Downtown Parsons, Kansas, was hit by an F4 tornado in April 2000. The citizens worked together to make the best of this situation and re-opened Main Street thru the downtown area that had been closed for 30+ years by Urban Renewal. The award winning streetscape has been recognized not only by the State of Kansas, but received the Great American Main Street Award and many other awards acknowledging the spirit of the community to not just survive, but thrive!
